

Erin Diagnostic Imaging

2 THOMPSON CRES. UNIT 3
ERIN, ON N0B 1T0

T: (519) 833-0000

F: (519) 833-1000

Erin Diagnostic Imaging now fully affiliated with OntarioMD HRM! HRM is a value-added service for clinicians who are using an Electronic Medical Record (EMR) system. Health Report Manager (HRM) enables clinicians using an OntarioMD-certified EMR to receive our diagnostic reports electronically instead of through the traditional method of fax.

If you are a part of EMR and would like us to send you reports electronically through HRM please contact us. We can also allow you to receive reports both electronically and by fax if you would prefer both.

To find out more information about HRM Report to contact them please see below:
